SAUDI PLASTICS EXPORT CATALOG

Export-ready products. Responsive commercial sourcing.

FROM SAUDI ARABIA TO GLOBAL MARKETS

A PRACTICAL EXPORT PARTNER.

O8 connects international buyers with capable Saudi manufacturing routes for plastic products. We begin with application, material, dimensions, volume and destination, then coordinate the commercial response around the real requirement.

PRODUCT FAMILIES

01 REUSABLE CRATES

Stackable transport and handling formats for food, retail and industrial operations.

02 FOOD-SAFE CONTAINERS

Practical storage and packaging formats with material specifications matched to use.

03 INDUSTRIAL COMPONENTS

Injection-molded fittings, housings and components supplied to approved drawings.

04 CUSTOM MANUFACTURING

Color, branding, dimensions and packaging developed around qualified volume.

COMMERCIAL NOTE

Final material, certification, minimum order quantity, tooling and lead time are confirmed against each inquiry.

TELL US WHAT NEEDS TO MOVE.
